# BENEFITS OF THE MOVE

- Training days reduced from 36 to 25 resulting in Marines arriving in the operational forces one week earlier without sacrificing training.

  - USMC schedule management. (Flexibility)
  - CCRB – lecture curriculum streamlined .
  - USA specific training eliminated (TCACCIS).

# BENEFITS OF THE MOVE (Continued)

- Marine Awaiting Training Program (MAT)
  - OJT at Camp Lejeune
    - TMO Operations
    - MDC Operations
  - OJT at Camp Johnson
    - Passenger Operations

- Academics
  - Tuesday and Thursday evenings students receive instruction in math and English until they are able to pass a basic comprehensive exam. (Not required for graduation)

# QUESTIONS

Rest assured your entry level Marines are being taught by dedicated professionals.
